### Sea Ranch Lodge: An Honest Renaissance

Spread across 10 miles of the Northern California coastline and located 100 miles north of San Francisco, The Sea Ranch comprises 2,224 private homes built on 7,000 acres surrounded by the typical vegetation and landscape of the area: cypress hedgerows, meadows, rolling hills, redwood, and Douglas fir forests, with, of course, sublime ocean views.

### Timeless Fusion by Architect Richard Found

Architect Richard Found's contextual country home in the Cotswolds encapsulates the essence of minimalist design within an 18th-century edifice. Located in the picturesque Cotswolds, this project by Found Associates breathes new life into a derelict gamekeeper's cottage, blending modernist architecture with the vernacular stone construction of the region.
